Dear Educator:

We are inviting educators to submit projects for the 2017 Heart of Ohio Tole Chapter, Inc., Convention, "Cooking up Some Painting Fun" to be held in Columbus, Ohio, at the Greater Columbus Convention Center, August 14-19, 2017. All educators are encouraged to submit projects for classes at beginner, intermediate, advanced, and intense study levels. Intense study classes are for the very advanced painter in the medium presented and should be projects designed to enhance student's skills and knowledge of art. All intense study projects submissions **MUST** include a short paragraph explaining why the project should be considered as an intense study. Class time frames are 2, 4, 6, and 8 hours. We encourage you to submit 4-hour classes as this is the class length the students prefer. **We have eliminated the 2-hour Specials and replaced them with 2-hour classes that will be in the convention catalog.**

All projects submitted for consideration must be postmarked no later than November 4, 2016. Please mail to the HOOT office at the address listed below.

Please send 2 glossy, identical, high-quality, **4" x 6"** color photographs for each project. **No enlargements, photocopies, emails, or black and white photos will be accepted, (see Educator's Project Checklist).** It is very important each photograph submitted be sharp, in focus, with the proper lighting, and have a contrasting background. **Do not use paper clips or staples on your project photos as they damage the photos.** Each project will be judged by the photograph submitted and, if selected, the photo will be published in our convention catalog and posted on our website. Ask yourself, "Will this photo sell the project?"

Please read the Educator's Convention Contract in its entirety before signing. Be aware that the State of Ohio's Department of Sales Tax requires that Educators purchase a Transient Vendor's License and pay the sales tax due on class surface fees. We will add the HOOT fee, the educator fee plus applicable tax to your submitted project fee and calculate the total cost to the student. Please contact us at the telephone numbers or email addresses below if you have any questions.

Sincerely,

Judy Hughes
